

Boston, Feb. 9th, 1903.

Dear Mr. Baker,

I understand that a list has been made of thirteen voters who voted in Brookline fifty years ago; my name among the number. I did not see it and I want a copy of it. When I know who they are I may invite them all to dinner.

In looking over some old papers I lately came across the records of the Fremont Club of Brookline organized in the fall of 1856, giving the names of all the contributors and details of the expenditure. I think you may like this to put among the old Brookline records in the Historical or Educational Society. I think there are only seven of the subscribers now living; myself, Mr. Kennard, Mr. Bowditch, George J. Fisher, Charles B. Dana, George N. Dana, A. L. Lincoln. If you do not care for this send it back to me. I believe we sent John N. Turner to the Legislature, rather startling the old Whigs.

Most truly yours,

Edward W. Atkinson
